Special Inspection Information

Access to some federal facilities is now impacted by the Real ID Act. If using a drivers license or state issued identification card as identification, it will need to comply with the requirements of the Real ID act at those locations. Refer to www.dhs.gov/real-id-public-faqs for more information on the REAL ID Act. Individuals without licenses from compliant jurisdictions may present alternative forms of identification - such as a U.S. Passport - accepted by the agency. Some agencies may have additional processes to accommodate individuals lacking the prescribed identification documents.

ADVANCE APPOINTMENT MANDATORY TO INSPECT.

Please contact the custodian for inspection dates and times and for removal arrangements.

PROPERTY REMOVAL: Due to security issues at property locations, successful bidders are required to contact the custodian prior to entering the facility to remove property, and at times, they are not permitted to use security phones. Therefore, successful bidders must communicate with the custodians in advance to make arrangements for removal and/or have a cell phone with them to contact them once they arrive at the secured location.

Successful bidders are cautioned that they will be responsible for loading, packing and removal of any and all property awarded to them from the exact place where the property is located, as indicated below.
